General business:

Annette will be the 'driving force' beyond the year books and calendars that may go ahead possibly being made and printed at school. Annette to organise with Alan about same.

Kylie to speak with Alan and decide on banner and teardrop flag layout and organise same (email to john) if cost is reasonable, P&C unanimous with this decision.

Some parents had complained of expensive week and not a lot of notice for photo money, Mother's Day, show at school....Alan aware of this already.

Fundraising goal decided on - proceeds to go towards exercise equipment for the playground. P&C to aim for 1/3 of cost for same. P&C unanimous with this decision.

Sports equipment like cricket gear - no matching sets, some broken, too big for kids- Alan aware of same.
