PRINCIPALS MESSAGE

Wow, what a great start to 2019. All students came on Wednesday morning ready to learn and beautifully dressed in school uniform. Teachers were ready to start teaching and the school got into swing very quickly.

Welcome back to 2019 and welcome today to our Kindergarten class for 2019. We wish you all the best for your educational journey ahead and hope that school brings a smile to your face each morning. Welcome also the 23 new students and their families that we welcomed last week.

This week we have our first P&C meeting on Wednesday at 5.00 in the staffroom at school. I would welcome any new parents to come and join our P&C and have your say on the direction of our school. We also have our Swimming Carnival on Thursday starting at 10.00am. All parents are welcome to come and see their children swim or just participate in fun activities in the pool for the day.

We will be having a Welcome Back BBQ and DISCO night on the 14th February. This is a chance for parents to meet their child's teacher for 2019 and have a chat about expectations and aims for their classes this year. The rundown of the evening is as follows:

5.00-5.30- Meet and Greet teachers in their classrooms.

5.30-6.00- BBQ in the Quadrangle

6.00-7.30- DISCO for students in the Primary Hall.

We would love to see as many parents as possible at this evening and getting involved in the school life and their child's education. Parents are always most welcome in our school.

If any parents or Grandparents would like to volunteer their time to come in and help out with reading groups or in their child's class, you are welcome to. You just need a current Working With Children's check which is free and the school can help you acquire if you wish to volunteer.

You may also notice we have made some upgrades to the playground and classrooms during the holidays. This is to make the environment more fun and stimulating for our students. Students have enjoyed the new balance equipment and teachers are using the new learning spaces already to help our students.

Welcome back and I am looking forward to having a great year at Gulgong PS.

**This Wednesday
6th February at
5.00 pm at the
School Office**

Joining the P&C is a great way to get involved in your school community, keep up-to-date with what's happening at the school, contribute to your child's education and make new friends.

The P&C is made up of volunteers working together to improve the facilities and opportunities available at the school.

By participating in the P&C, you are supporting the school community.

Your contribution to the P&C can be as large or small as you can manage. Your ongoing support is invaluable.
