Wellbeing Week

Last week we celebrated Wellbeing Week. Wellbeing Week is a time for all of us at Gulgong Public to reflect on our own wellbeing. To help with this, there is no homework given to students and no meetings after school for staff.

Over the week our students were engaged in different activities including NAIDOC activities with Peter Swain, a free afternoon of movies, board games and free play, our first ever colour run and BBQ, a story outside and we finished our week with Wear What You Want, swimming and a zooper dooper sale organised by our SRC.

A big thanks goes to Peter Swain, our local Rural Fire Brigade and Phil Lennox for giving up their time to support our week.

Many thanks to our staff and students for making it a fabulous week.

PRESENTATION DAY - 2020

With the easing of COVID restrictions we are now allowed to have parents at our Presentation Day. We will have to space the seating so that family groups can "socially distance" from other members of the community. This may limit the capacity of the High School Gymnasium and we may find that some parents will have to stand around the outside of the hall.

We will not be allowed to have any special guests, presenters or guest speakers this year to minimise external contact with our students. This may mean that our Presentation Day is shorter than past events.

We will also be notifying parents this year if their child will be getting a class award or major award so that all parents can make an informed decision if they would like to attend the Presentation Day. We will send a note home in a sealed envelope informing parents that their child will be receiving an award. We will not be informing the students that they will be getting an award.

We will be live streaming the Presentation Day via our Facebook page as well so all parents have the opportunity to view the celebration of the achievements of our students.

Year 6 Farewell

We will also be having parents attend our Year 6 Farewell. Parents will be invited for the formal part of the evening and dinner and then students will be able to have a Disco with their parents picking them up after this. This years event will be held at the Bowling Club

CLASS IN FOCUS 2C

2C have been very busy over the last few weeks!

We have been celebrating NAIDOC Week with a scavenger hunt outside and by completing some art works using lots of symbols and colours. Wellbeing Week has been lots of fun with the colour run, swimming and lots of “feel good” activities in and out of the classroom. 2C have been working hard in writing and producing some great little stories that rhyme!
