PRINCIPALS MESSAGE

As we move towards the end of the school year we have started planning for the transition for students into next year.

On Monday December 14, students will be moving up to their class for 2021. This will just be for 1 day so that students know what teacher and classroom they will be in for 2021.

We will have some new staff joining us in 2021 who will be attending moving up day. Mrs Stacey Tutor will be joining us from Camden South Public School and is a very experienced Stage 1 Teacher. Gillian Armstrong will be joining us as a Learning Support and RFF teacher. Gill joins us from Cudgegong Valley Public School and comes with a wealth of experience in the LaST position.

Kylie Duffy will be joining us from Kandos Public School as Assistant Principal / Class Teacher in our Special Education Unit.

Below is a list of the classes for 2021 including teachers name and the year they will be teaching.

Gulgong Public School has been changing rapidly this year. If this continues, there may be some changes to the classes, so moving up day should only be used as a guide for what class your child will be in for 2020.

We have Presentation Day tomorrow at the High School Gymnasium starting at 10.00am. Parents are welcome to attend. We have sent out invitations to those parents of students who are winning awards this year so they know if they would like to attend. We will also be announcing the School Captains, Vice Captains and Prefects at the Presentation Day tomorrow. Best of luck to all students.
