Principal's Message

Enrolments for 2022

With the end of the year approaching, Gulgong Public School is starting to plan for 2022. If you know that your child will not be returning to Gulgong Public School in 2022, can you please call the front office and let us know. Alternatively, if you or someone you know is intending to come to Gulgong Public School next year also call the office and let us know. This allows us to plan classes for next year. If we get no change or little movement then we will be able to stick to our original plans. If there are great changes then the plans listed below may need to change to suit the needs of our school.

On Tuesday 14th December we will have a moving up day. On this day students will move up to their classroom and teacher for 2022. This will allow them to see their classroom and meet their teacher (some new staff may not be able to make it). Hopefully this will allow students to settle in and make a smoother transition to the school year in 2022.

Congratulations Year 5

On Friday I was impressed by the quality of our Year 5 speakers for the Prefect elections. All the candidates spoke well and should be proud of their efforts. We are lucky to have a large cohort of students, all of whom would make great leaders at our school. See the photos below for some of our students.

Congratulations

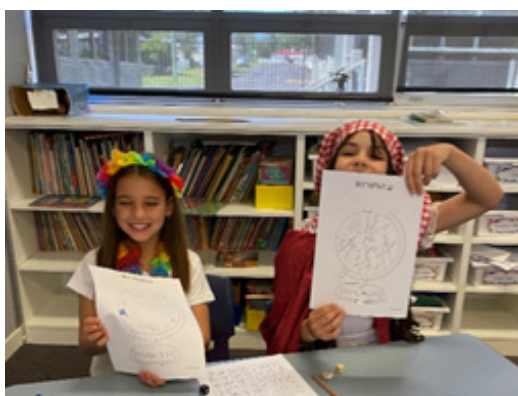

We congratulate Mrs Buckley & Family on the Birth of Clancy. We wish her all the best.

Class in Focus 3F

This term 3F have been learning about Australia's first contact and students delivered some excellent speeches about their chosen convicts. Students have also thoroughly enjoyed our science unit where we have been learning about different types of forces and completing experiments including the cars we made for our 'Speed Racer Challenge'. 3F also had an excellent time at the Book Fair and participated in many book-themed activities. With only a few weeks left of school this year, we are looking forward to the Colour Run and completing Christmas activities in class.

Week 10

Thursday 9th December 2021

**Refresher on
School Zone Road**

Rules # 9

DRIVEWAYS

DRIVEWAYS You must not stop on or across a driveway.

Children and young people are extremely vulnerable in the road environment. They need you to take extra care when driving and parking around schools. Penalties are greater for breaking the road rules in a school zone. Find out more, <https://roads-waterways.transport.nsw.gov.au/roads/safety-rules/parking/parking-rules.html> *Produced with the support of Mid-Western Regional Council, NSW Police and Transport for NSW.
