Principal's Message

Book Fair

It was great to see so many parents at Book Fair last week. The kids really love it when parents visit our school and it gives them a chance to show off how proud they are of their work and friends. The day was a huge success with the school earning over \$2000 to put towards school resources.

Thanks to Erin Dunk who organised the Book Fair celebrations with help from lots of other staff.

Thank you to the following people who kindly donated books to our school library. The Atkinson Family, The Malik Family, Kylie Cuthel, Oakley Stephenson & Family, The Norris Family & Peyton Ellery.

Survey

Thank you also to all those parents who filled in our survey. If you want to have your say on our school go to:

Rewards Excursion

Rewards excursion invitations have been sent out in the past week or so to celebrate the success of our students this semester. If you can return these as soon as possible so we can get numbers that would be appreciated.

Choir

Best of luck to our choir who are heading to Sydney to perform at Town Hall tomorrow night. The choir and Miss Jones have been working hard to perfect their performance and will do a great job tomorrow night.

Captains & Prefect Speeches 2023

2023 Captain and Prefect Speeches
With 2023 fast approaching, it is time to look to the new student leaders for our school. Student leaders play a very important role in a school.

These leaders lead by example in class, in the playgrounds, and provide stability in our organisation of many school events that students engage in.

The Captain and Prefect Speeches will be held on Friday 2nd December, 2022 (Week 8) at 10am in the school hall.

The successful group of students will be announced on our Presentation Day which is being held on 7th December 2022.

Passports to Leadership and notes have been discussed and sent home with students in Year 5 who would like to run for 2023 Captain and Prefects.

Check In Assessment

Students in Years 3, 4 and 5 will participate in a reading and numeracy Check-in Assessment this week.

The Check-in Assessment is a NSW Department of Education online reading and numeracy assessment available to support schools to access and monitor student learning.

The Check-in Assessments can supplement existing school practices to identify how students are performing in Literacy and Numeracy and to help teachers tailor their teaching more specifically to student needs.

Tiny Steps

Tiny Steps is on this Friday in our school library from 10-11am. All children between 0 and 5 are welcome to attend with their parents. Last week at Tiny Steps we read and used bells and clapping sticks for the nursery rhyme 'Three Blind Mice
